

Creating Responsible Kids on Smartphones

A Discussion of Youth Social Media & Mental Health Trends

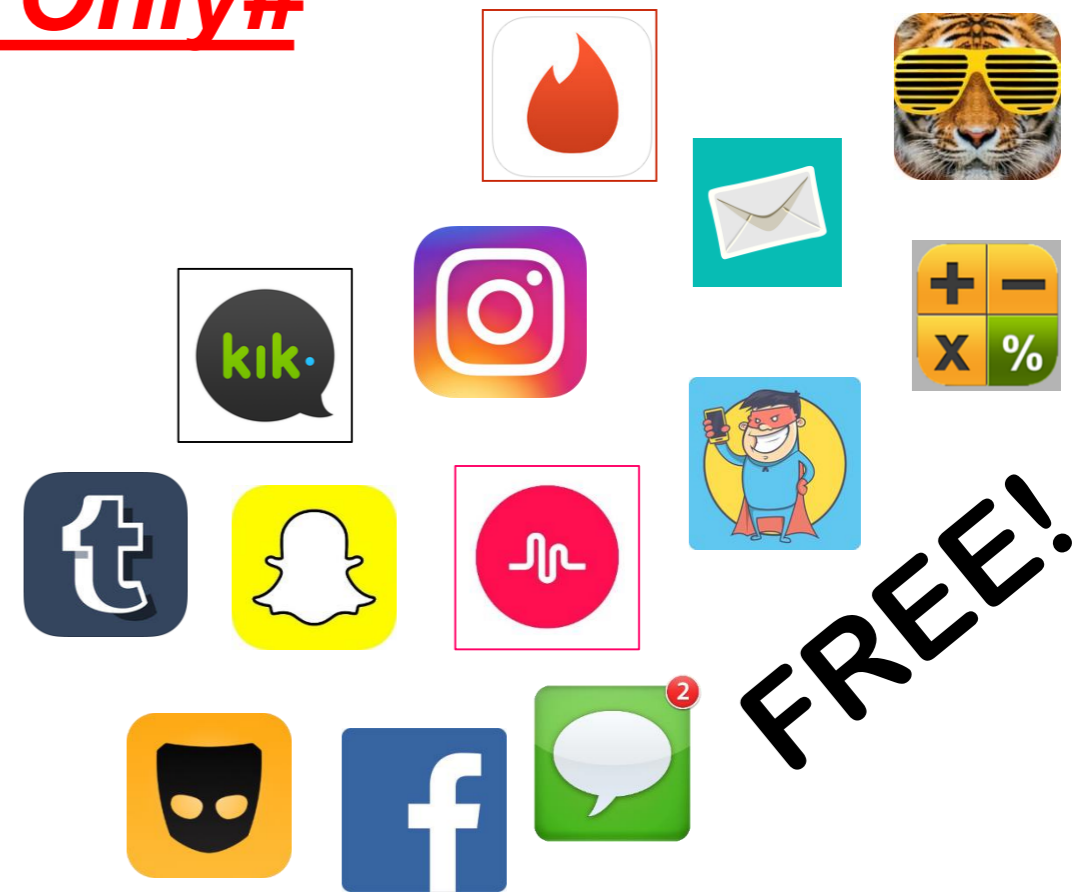

#For Adults Only#

Learn About:

apps, smartphones, social media use/misuse, privacy settings, sharing too much information, setting expectations and ways to talk to young people about wise use of their devices.

There will also be a discussion of mental health topics such as depression, self harm and suicide.

Presented By: Ryan Klingensmith, Licensed Professional Counselor, Founder at Shape The Sky
