Cards

Playing Cards

There are 4 sets of playing cards (sets A-D) in the resource center. The cards deal with Word Families and Long Vowel patterns. These playing cards can be used to play any number of card games. The idea of using playing cards while learning is a motivating experience for many students.

Sorting Cards

Long vowel, short vowel and beginning sound cards can be used to learn word families and to build words to increase a beginning reader's vocabulary. Easily identifiable pictures help to build the student's oral vocabulary, too.

Sound, Read and Snap!

These 2 sets of 80 cards can be used to play Go Fish, Concentration, and Snap games. The students match sound families and word families to win the game.

Puzzle Cards

These self-checking puzzles enable students to practice beginning spelling and reading skills using three-letter words and four-letter words. The students piece together the puzzle cards to build words and make pictures.

Flashcards

Get to know and practice reading skills with these colorful cards. They'll help to build reading skills relating to Consonants, Vowels, Alphabet, Sight Words, Word Families, and Action Words.
